Information Consent Form

GapRisk constantly strives to maximise the benefit you, our valued customer, get from your gap cover policy. We have therefore procured the services of a specialist third party claims assessor, **MedClaim Assist (MCA)**, to determine if claims have been incorrectly short paid by your medical scheme, or if your medical provider has made errors on their invoice resulting in incorrect payment by your medical scheme. In this way, we ensure that your gap cover benefits are not misused which could result in benefits running out prematurely and/or excessive premium increases in future years.

By completing and signing this form, you give consent to **GapRisk**, to share your policy and claims information with **MCA**. This form gives GapRisk permission to make information available to MCA outlined below and you reserve the right to revoke this consent if there is a breach of any terms and conditions of this agreement or any rules by either of the parties.

Consent;

I the principal member, hereby give permission and declare that the permission of all my dependants was obtained, for MCA to access my and/or my registered dependants personal and medical information and to make enquiries in this regard from the date indicated below and furthermore also request documents in respect of my and/or my registered dependants, personal and medical information.

Neither GapRisk Administrators nor its affiliates, consultants or employees will be liable for any damages whatsoever, including without restrictions, any direct, indirect, special, incidental, consequential or exemplary damages whether arising from a contract, act, delict or otherwise, related to the provision of any information to MCA or any changes made by this third part as a result of this instruction given by me to my medical scheme.

By consenting, I agree to

1. My information being made available to MCA through GapRisk for the purposes outlined here.
2. I give consent to GapRisk and MCA that they may make contact with me and/or my dependants medical practitioners, should any clinical information of me or my dependants need to be discussed or further intervention required pertaining to my claim.
3. MCA is contracted with medical practitioners and pay the claims directly, I therefore consent that MCA may proceed with the payments of the claims directly to the practitioner.
4. I give consent to GapRisk and MCA to contact me or my dependants in the event that they require further information from my medical aid. I'm aware that MCA will make contact with my medical aid in the event that they require further information and therefore will expect additional consent from MCA directly.
